PEPCO

REMINDER

Pepco is urging residents to be prepared for storms and potential outages this summer season. You can visit [pepco.com/mobileapp](https://www.pepco.com/mobileapp) to download their mobile app, which has many resources to keep customers informed during a storm. Customers can immediately report a downed wire or service issue through the mobile app, by calling 1-877-PEPCO-62 (1-877-737-2662), or visiting [pepco.com](https://www.pepco.com).

In addition, they added a texting feature last year that will allow customers to report a current outage. Customers must first text "ADD OUTAGE" to "48710" to sign up for this service. Afterwards, Pepco customers can text "Out" to "48710" on your mobile device to let the company know of your situation.
